#### Product Description

Designed for fastening furring strips, floor plates, partition walls to "green" (uncured) concrete. Hardened steel. For best results drive nails 3" or more from edge of masonry or block allowing 3/4" penetration. Safety glasses recommended when driving hardened nails. For shorter sizes, see Hardened Metal Lath Nails.

Disclaimer: This image represents an entire series of nails, so the length may not be the exact match to the nail in this spec sheet
