APPROX. NAILS PER LB	145.0

Product Description

Great for blind nail applications - especially sidings which are wider than 8-1/4". The STORMGUARD® Double Hot-Dipped coating ensures great rust protection – unlike “eg” (electro-galvanized) nails which are sometimes used. Don’t take chances - insist on Maze quality blind nails.

Disclaimer: This image represents an entire series of nails, so the length may not be the exact match to the nail in this spec sheet
